Sorry, didn't mean to press send. I just talked to the program - it sounds like Jim Havard requested that John Goodin participate, John requested Dave, so now Jim Curtin and possibly David F. (depending on availability) are participating. It will be good to streamline the process, particularly since we need to act quickly, [REDACTED] Ex. 5 Deliberative Process (DP) [REDACTED] I'm guessing Dan will now lead the briefing rather than Miranda.

Sounds like it has expanded. David Ross is calling in with several people from OW. OGC discussed it with Matt at their regular check in. I just happened to be on the phone because we were talking about NDZ. If OGC isn't already invited to the briefing, we should probably add them too. Seems weird that the HQ folks have taken over the briefing that was supposed to be in prep for them - maybe Dan or Chris can get it scaled back.

people now at this meeting. Dave Ross is attending with a crew from OW.
